Full Sun Native Plant List

I.) Grasses

- *Sporobolus cladestinus*-Hidden Dropseed
- *Sporobolus junceus*- Piney-woods Dropseed
 - i. bunch grass 2-3'
 - ii. requires well-drained soil
- *Andropogon glomeratus*-Bushy Bluestem
 - i. 2-5'
 - ii. tolerates poor drainage
- *Andropogon gerardii*- Big Bluestem
 - i. Bunch grass 4-8'
 - ii. Medium moisture requirements
- *Andropogon gyrans*- Bird-of-Paradise Bluestem
 - i. 1-2'
- *Chasmanthium latifolium*- Upland River Oats
 - i. 1-4'
 - ii. prefers moist sites
- *Chasmanthium sessiliflorum*- Longleaf Wood Oats
 - i. Drought tolerant
 - ii. 1-3'
- *Erograstis spectabilis*- Purple Lovegrass
 - i. Bunch grass 1-3'
 - ii. Tolerant of variety of soil conditions
- *Muhlenbergia capillaris*- Pink Muhly Grass
 - i. Bunch grass 1-3'
 - ii. Prefers moist sites
- *Panicum virgatum*- Switchgrass
 - i. Bunch grass 3-5'
 - ii. Tolerant of variety of soil conditions
- *Saccharum alopecuroides*- Silver Plumegrass
 - i. 4-6'
 - ii. Tolerant of a variety of soil conditions
- *Sorghastrum ellotii*- Slender Indian Grass
 - i. Bunch grass 2-6'
 - ii. Drought tolerant

II.) Forbs

- *Allium cernuum*- Nodding Onion
 - i. 1'
 - ii. wet-mesic sites
- *Amsonia hubrichtii*- Threadleaf Bluestar
 - i. 3'
 - ii. tolerant of a variety of soil conditions
- *Antennaria plantaginifolia*-Pussy Toes
 - i. 6"
 - ii. dry sites
- *Asclepias incarnata*- Swamp Milkweed
 - i. 2-4'
 - ii. prefers moist sites
- *Asclepias tuberosa*- Butterfly Weed
 - i. 1-2'
 - ii. drought resistant
- *Asclepias syriaca*- Common Milkweed
 - i. 2-6'
 - ii. tolerant of variety of soil conditions
- *Baptisia australis*- Wild Blue Indigo
 - i. 2-4'
 - ii. drought tolerant
- *Baptisia tinctoria*- Yellow False Indigo
 - i. 2'
 - ii. prefers dry sites
- *Calamintha georgiana*- Georgia Calamint
 - i. 2-3'
 - ii. prefers dry sites
- *Chrysogonum virginianum*- Green and Gold
 - i. Groundcover
 - ii. Tolerant of a variety of soil conditions
- *Echinacea purpurea*- Purple Coneflower
 - i. 2-4'
 - ii. prefers well drained soil
- *Eryngium yuccifolium*- Rattlesnake Master
 - i. 4-5'
 - ii. dry sites
- *Helianthus angustifolium*- Swamp Sunflower
 - i. 1-3'
 - ii. Prefers moist conditions
- *Helianthus mollis*- Hairy Sunflower

- i. 2-4'
 - ii. dry-mesic sites
- *Hibiscus moscheutos*- Crimson Rose-Mallow
 - i. 3-8'
 - ii. Prefers moist conditions
- *Ionactis linariifolius*- Stiff Aster
 - i. ½-1 ½ '
 - ii. dry-mesic sites
- *Liatris spicata*- Spiked Blazing Star
 - i. 3-4'
 - ii. Prefers moist conditions
- *Monarda fistulosa*- Wild Bergamot
 - i. 2-5'
 - ii. tolerant of a variety of soil conditions
- *Monarda punctata*- Spotted Bee Balm
 - i. 1-3'
 - ii. dry sites
- *Oenothera fruticosa*- Sundrops
 - i. 1-3'
 - ii. moist sites
- *Prunella vulgaris*- Self Heal
 - i. 1-2'
 - ii. prefers moist conditions
- *Pycnathemum pycnathemoides*- Mountain Mint
 - i. 2-3'
 - ii. tolerant of variety of soil conditions
- *Ratibida pinnata*- Gray-headed Coneflower
 - i. 3-6'
 - ii. tolerant of variety of soil conditons
- *Rudbeckia hirta*- Black-eyed Susan
 - i. 1-3'
 - ii. moist and well drained sites
- *Solidago rugosa*- Wrinkleleaf Goldenrod
 - i. 3-6'
 - ii. prefers wet sites
- *Solidago nemoralis*- Gray Goldenrod
 - i. 1 ½ - 2'
 - ii. prefers dryer sites
- *Symphotrichum ericoides*- Heath Aster
 - i. 2'
 - ii. tolerant of a variety of soil conditions
- *Yucca filimentosa*- Adam's Needle
 - i. 2-3'

- ii. dry sites

Part Shade-Full Shade Native Plant List

I.) Ferns

Adiantum pedatum- Northern Maidenhair fern

- 1-2'
- Prefers moist conditions

Athyrium filix-femina- Southern Lady Fern

- 2-4'
- Prefers moist conditions

Onoclea sensibilis- Sensitive Fern

- 1-2'
- Prefers moist conditions

Osmunda claytoniana- Interrupted Fern

- 2-4'
- Medium-high moisture requirements

Polystichum acrostichoides- Christmas Fern

- 1-2'
- Medium-high moisture requirements

II.) Forbs

Arnica acaulis- Common Leopard's-Bane

- 1-3'
- Medium-high moisture requirements

Aquilegia Canadensis- Wild Columbine

- 1-3'
- Low-medium moisture requirements

Euonymus americana- Hearts-a-Bursting

- 3-6'
- Medium-high moisture requirements

Heuchera americana- Alumroot

- 1'
- Low-Medium water requirements

Hibiscus grandiflorus- Swamp Rose-Mallow

- 6'
- High water requirements

Mitchella repens- Partridge Berry

- Groundcover
- Medium-high water requirements

Philadelphus inodorus- Scentless Mockorange

- 6-8'
- Low water requirements

Phlox divaricata- Wild Blue Phlox

- 1-3'
- Medium water requirements

Phlox paniculata- Garden Phlox

- 1-3'
- Medium water requirements

Rudbeckia laciniata- Greenheaded Coneflower

- 3-6
- High water requirements

Salvia azurea- Azure Sage

- 3-6'
- Low water requirements

Tiarella cordifolia- Heartleaf Foamflower

- 1'
- Medium- High water requirements

Tradescantia hirsuticaulis- Hairstem Spiderwort

- 1'
- Low water requirements

Xanthorrhiza simplicissima- Yellowroot

- 1-3'
- Medium-high water requirements
