

State Botanical Garden of Georgia UNIVERSITY OF GEORGIA

Winter WonderLights Event Experience Packages

The State Botanical Garden of Georgia is excited to offer an opportunity to experience Winter WonderLights in a new way. You can now host private events at the State Botanical Garden's world-class facilities during the evenings of the WinterWonderLights show. The package includes an opportunity for your guests to explore the show at a special discounted group rate while also enjoying a private space to host a holiday event. As part of the package, you will have the opportunity to include VIP parking and entrance to the show during your event.
