

# Student Art Competition

## The State Botanical Garden of Georgia at the University of Georgia

*Funded by The J.A. and H.G. Woodruff, Jr. Charitable Trust*

- Purpose** This competition is sponsored for the purpose of selecting original artwork that may be used to create signature items such as note cards, T- shirts, mugs, etc. for sale at the State Botanical Garden of Georgia gift shop. Winning artwork may also be used on the garden website, brochures and promotional materials. Creative concepts for how the artwork might be used will be considered by the judges, as well as the reproducibility of the design, how usable the design is to create gift shop items, and how well the design represents the State Botanical Garden of Georgia. For example, a photograph or painting of a Southwestern landscape, beach scene, or urban architecture would not represent the garden, and not likely be considered as a winner.
- Entrants** All entrants submitting artwork must be students 9<sup>th</sup> grade and above (this includes college students) who attend school full or part time in the State of Georgia. A maximum of two entries per artist may be submitted. A team of students may submit one design.
- Entry Fee** None.
- Media** Media of your choice, including hand produced and computer generated art, is acceptable. All works must be two-dimensional and original in concept. Keep in mind that various types of images are needed to create gift shop images. A keychain or hat may have a very small area that needs a clean image in one color, while a t-shirt can show subtle color blends and intricate details. Previous winners have included pen and ink, photography, watercolor, oils and combinations of media. **Both the original artwork and a digital image must be submitted.** Digital images must be submitted as a .tif file with a minimum 1200 dpi. The artist's name must be written on the computer disc and the disc protected by a sleeve or case. A USB flash drive within a labeled envelope is acceptable. If the original artwork is delicate in nature, the artwork should be suitably protected. Works may be framed. **Artists are strongly encouraged to sign their artwork.**
- Size** 24" x 36" maximum design size. Square, horizontal, round, oval or vertical format. Please indicate hanging direction if necessary.
- Deadline** **Friday, November 5, 2021, 4:00p.m. EST**
- Deliver** Please deliver in person to the Garden Gift Shop located in the Visitor's Center, State Botanical Garden of Georgia, 2450 South Milledge Avenue, Athens, Georgia 30605 by **4 p.m. November 5** . Call Alice Reynolds at 706-542-6130 if other arrangements need to be made. All submissions must be accompanied by a signed entry form (available on site and at [www.botgarden.uga.edu](http://www.botgarden.uga.edu)) and a copy of a form to verify being a student. (Something that includes your name, the year, and school. **Block or white out any sensitive information.** Examples include but are not limited to a student ID or transcript).
